Prior Art Citation

1. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.

Saga (6,678,220) and Den Boef (6,134,209), both disclose an optical disk apparatus having the ability of setting the optimal power of the laser beam based on test information recorded and detected from the optical disk.

Reasons For Allowance

2. The following is an Examiner's Statement of Reasons for Allowance:

The prior art of record alone or in combination does not teach or suggest the initialization method having the combination of steps with their recited process, along with the specific steps of detecting the optimal power of the laser beam and performing initialization by irradiating the laser beam, as set forth in the claims, and as disclosed in the specification.

Any comments considered necessary by applicant must be submitted no later than the payment of the Issue Fee and, to avoid processing delays, should preferably **accompany** the Issue Fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to MUHAMMAD EDUN whose telephone number is (703) 308-1550.
